TO: Staff, Commissioners, Board Members, and Stakeholders

FROM: Sonja Hirsch, Rules Coordinator 

SUBJECT: Public Hearing and Possible Permanent Adoption
WAC 139-05-300: Requirement of in-service training

This rule change is being proposed to establish a requirement that all reserve peace officers receive a minimum of 24 hours of in-service training annually.

Reserve peace officers have the same authority as fully commissioned peace officers when called to duty; therefore, these changes will require reserve officers to meet the same in-service requirements as fully commissioned peace officers.

Public Hearing and Action by the Commission: The WSCJTC will hold a public hearing on Wednesday, September 10, 2014, at 10 AM, to discuss the proposed changes. The meeting will be held at the WSCJTC located at 19010 1st Avenue South, Burien, WA, in Room E-154. All are welcome to attend and provide oral comments. If you would like to submit a written comment, please send it to shirsch@cjtc.state.wa.us by September 1, 2014.

Staff will request the Commission to adopt the proposed changes. If adopted, the changes will be filed with the Code Reviser's Office and will become effective 31 days after filing.
